## NOW HIRING FOR OWL ACADEMY

### WHAT IS OWL ACADEMY?

Owl Academy is a free program for 4th-6th grade students from Edgewater Elementary that will provide academic support in math as well as integrated enrichment lessons. The program will run from 3:30-5 p.m. Monday through Thursday.

#### Curriculum

We will be utilizing the i-Ready curriculum from Curriculum Associates to provide personalized support in math for students. This curriculum monitors student progress and allows teachers to group students by their learning strengths and gaps.

#### Schedule

- 3:30 p.m. - Connection circle
- 3:45 p.m. - Small group learning with i-Ready activities
- 4:10 p.m. - Enrichment learning activity
- 4:45 p.m. - Individualized i-Ready learning
- 5:00 p.m. - Pick up time

#### Staffing

- Compensation is \$30 an hour for licensed teachers. An hour of planning time each week will be compensated.
- Teachers will lead a classroom of 10-15 students with a co-teacher. Teachers would not have to work every day but could swap days with another teacher.
- We will also be hiring two paraprofessionals to work as co-teachers in the classroom. Co-teachers will be paid \$25 an hour.

**Our goal is to start the program on  
Tuesday, September 5.**
